

THE NEBRASKA PERFORMANCE EXCELLENCE CENTER

Leading Nebraska organizations to achieve world-class performance.

About The Center...

Established in 2010, the Nebraska Performance Excellence Center (NPEC) is dedicated to making Nebraska a better place to live, learn and work by helping organizations achieve superior results. The NPEC is a non-profit, 501(c)(3) organization funded entirely by contributions from the private sector and revenue-generating activities.

The Center is led by a Board of Directors comprised of key business, education, government, and healthcare leaders from across the state.

Center Mission

To educate and recognize Nebraska organizations in their pursuit of performance excellence.

Center Vision

Be recognized as a premier resource for advancing organizational excellence.

Center Values

The Center is committed to: customer-driven excellence, shared learning, social responsibility, integrity, and partnership.

Center Core Services

include consulting, training and workshops, presentations, and the administration of the Edgerton Award for Performance Excellence.

The Nebraska Edgerton Award

The Nebraska Edgerton Award Program recognizes Nebraska firms that have attained a high level of quality and thereby, a competitive advantage in the marketplace. The Nebraska Edgerton Award program uses the Baldrige National Quality Program "Criteria for Performance Excellence" as the guide for assessing each applicant.

2010 ADVISORY BOARD

- Nebraska Department of Economic Development
- The Nebraska Medical Center
- University of Nebraska
- US Small Business Administration
- Greater Omaha Chamber of Commerce
- Bellevue University
- Behlen Manufacturing
- Airlite Plastics
- Methodist College
- American Society for Quality (Section 1302)
- City of Lincoln Public Works
- Cooper Nuclear Power Plant

Sowing the seeds of success...

The Center is the result of a strategic transition of the Edgerton Award Program from the Nebraska Department of Economic Development and the American Society for Quality (Section 1302) to an administration and support structure that will ensure long-term sustainability and responsiveness to organizational needs. The DED and ASQ fully support the transition and are contributors to the success of The Center.

You Can Volunteer

The strength of The Center is a group of volunteers who make it possible for The NPEC to succeed. Our volunteers represent all sectors across the state of Nebraska and make up the NPEC Board of Directors, examiners, consultants, and judges.

You Can Contribute

When you support the NPEC, you support and play a role in making Nebraska a better place to live, learn, and work.

In-kind and financial contributions can be made at any time at a variety of levels:

Founder
(\$20,000 and over)

Sponsor
(\$15,000 - \$19,999)

Partner
(\$10,000 - \$14,999)

Associate
(\$5,000 - \$9,999)

Affiliate
(\$2,500 - \$4,999)

Member
(\$1,000 - \$2,499)

Individual
(under \$1,000)

By becoming a contributor, you support the continuous improvement of quality, customer satisfaction, and the global competitiveness of Nebraska organizations.

As an added benefit, you/your organization receives discounts on workshops, training, and consultative services.
